The Caucasus and the Oil: German-Soviet War in the ... The Caucasus and the Oil is a decent history of the campaign which extends from the initial German invasion in July 1942 to their final evacuation of the Taman Peninsula in October 1943, but it is primarily from the German point of view and doesn't go into the kind of detail that Carrell and others have achieved. Instead, the book can be a fairly bland recitation of German units moving.
